SU Advice Team

- We have two experienced advisers as part of The SU team.
- They provide an impartial Advice service that is independent from the university.
- Free, confidential, non-judgmental.
- The Advice team can help you create a budget, look over housing contracts, support you with academic issues, help you make a complaint to the university, and more.

Welcome week and Taster Sessions

- Welcome – great to see so many of you share your committee members on social media.
- Don't forgot to put your events on the website, that is where incoming students will be directed too.
- We recommend you have one or more 'liaison members/buddy' that can meet a potential member ahead of the session or advertise where to meet.
- If for any reason your event needs to be postponed make sure a member of the committee goes to the venue/meeting place to let potential students know, not all will have seen, don't rely just on social media.
- Share images of locations in advance and who is leading so they see a familiar face.
- Inclusive events – there are a small number of U18's.
