

MAKE YOUR MARK AS A *VICE PRESIDENT*

You'll help shape an inclusive, creative and connected student community across the campuses - listening, celebrating, championing student voices, and advocating for the changes students want to see.

You'll champion Equality, Diversity and Inclusion, create localised engagement opportunities that strengthen belonging, and lead campaigns that bring students together.

What you believe in:

- 
- **The importance of Equality, Diversity and Inclusivity, not as a tick-box exercise but as something you practise in language and behaviour.**
 - **You love working with sports clubs, societies, students, staff and partners to make things happen.**
 - **You listen with empathy and openness to curate a community of belonging.**
 - **Representation is about relationships. You build trust by being present and consistent.**
 - **Connection is care. Community, visibility, and wellbeing all reinforce each other.**
 - **Empowerment is shared. You co-create, inviting students to design, lead, and celebrate together.**
